COMMUNITY NEWSLETTER

Chodesh Tov! It's now the month of Kislev- the month best known for Chanukah! Chanukah brings us the important message of light over darkness - good over evil. With an increasing amount of antisemitism around the world, this message is a timely reminder of how we can all strive to spread light in our lives. Rabbi Slavin just returned from the International Conference of Chabad-Lubavitch Schluchim in New York, where Chabad Rabbis from all over the world come together to do their part in continuing to spread the light and message of the Rebbe.

Please join us this month for our many Chanukah Events - Starting on December 14th for a Jewish Women's Circle & going through December 31st for our annual Chanukah at the Outlets Celebration!

May you be blessed with the peace & warmth of the eternal flame
~Rabbi Mendel & Tzippy Slavin
