COMMUNITY NEWSLETTER

Big news in our plans for building and expansion. After over 1 year of work, we recently submitted our detailed plans to the city for permits. We hope to be able to start our project soon. Please reach out to participate and/or reserve one of our dedications!

As we continue to publicly honor the volunteers who give their time to serve our Jewish Community - We recently honored our Kiddush Volunteers who help prepare, cook, and set up our Weekly Shabbat Community Lunch which has grown to an average of 50 people each week. Thank you again to Karen, Natalie, Joe & Chaya for your consistent help!

The High Holidays are just around the corner and begin in the evening of September 22nd this year. Over the few weeks between Rosh Hashanah and Sukkot in mid October- We have a full schedule of community events, morning & evening services, opportunities for personal renewal & prayer, and much more! May we each personally and as a global Jewish Community see a year of success, blessings, and peace.

Wishing you a sweet, joyful & healthy New Year!

Volunteer Highlights

Thank you to this special team for preparing our delicious Community Lunch each week!

THANK
YOU

“The kitchen is my happy place. To many this may sound strange, but I so enjoy trying out new recipes - epic wins or epic fails - to me it’s just interesting and fun. Nine years ago, when the Shul was experiencing a growth spurt, it was obvious to me that Tzippy could use some help preparing the Shabbos Kiddish Luncheon each Friday morning. As I became more involved, I helped her develop the concept of having a number of different themed menus that we would rotate on a weekly basis. To this day we still use those menus, having added a few new ones along the way, to prepare even larger attendance. To me the ability to do what I love, while helping the community at the same time, is a blessing.”

~ Natalie

HOW CHOLENT WAS BORN

“I get asked that question a lot. It started with me working in the kitchen with my eastern European mom at age 12. In the Bronx, New York.

At age 14, I was working for a caterer for the usual bar mitzvahs and such. That is where I got the bug for commercial cooking. I have brought that knowledge with me to Chabad.

So to answer the original question, it all started when I first tasted Tzippy's "so-called" cholent.

We, the crew, love to see the empty platters, the plastic bag hanging outside the cholent pot. The faces that are enjoying the fruits of our labor. That is why we do what we do.

Keep enjoying!!!

L'chaim”

~Joe
